AMENDMENT

This is in response to Office Letter of July 6, 2005. The Office Action has required restriction to one of three inventions.

Applicant elects the invention classified as invention II, which includes claims 16 through 25. Such election is obviously made without prejudice to Applicant filing such additional divisional applications as may be required as prosecution of the present application develops.

Counsel looks forward to an Action on the merits of the elected invention at an early date.

Dated: July 27, 2005

Respectfully submitted,
